WORKMAN DROWNED.

Fred Rivers Loses His Life in the Mill Pond at De Haven.

DE HAVEN, October 3rd, 1902.—The usual quiet of the village of De Haven was broken on last Wednesday by the tidings that a man was drowned in the mill pond. All the working men and the people of the village assembled at the pond and began searching and dragging for the body. Within an hour the body was recovered, brought out and placed on a plank at the end of the mill. The body proved to be that of Freddie Rivers, aged about eighteen years, a native of Fall River, Mass. Everybody was deeply affected by the sad and sudden ending of the young man. Mr. D. Gill, a member, and principal manager of the P. L. Co., announced to his workmen that the mill would not again resume work until the day after the funeral thus giving the millmen an opportunity to attend the last rites of their departed fellow-workman.

The coroner at Westport was notified by telephone and on his arrival a coroners jury was impaneled from the bystanders present, who, in a few minutes rendered a verdict of accidental drowning. Immediately after the inquest, Mr. Gill had the body conveyed to the undertakers at Westport and there neatly attired in a very becoming burial suit, then placed in a handsome casket to await burial next day. Next day at ten o'clock A. M., Mr. Gill, with a number of the millmen and residents were at the undertaker's parlors; and after selecting and decorating six young men as pallbearers the funeral procession proceeded to Westport cemetery, where, in the presence of quite a respectable assemblage of the people the body was interred with all the rites appertaining to such occasions. Mr. Gill deserves the commendations of all for his humanitarian sympathy, so kindly and generously vouchsafed toward the unfortunate stranger—a manifestation of pure Christian charity, which is so seldom found, even among the church members in California. DE NIP.

The services at the Christian church give promise of becoming popular with the people of Ukiah and vicinity, and every reasonable effort will be made to make them justly and continuously such, some changes to be made soon in the order of services will be helpful. The subject for the sermon on Lords Day at 11 a. m. will be, Personal Responsibility and at 7:30 p. m. Saved by Grace, Bible school at 10 a. m., junior Christian Endeavor at 3:30 and Y. P. S. C. E. at 6:30 p. m. Please note the change in the time of all evening services.

AGRICULTURAL EXPOSITION

The 45th Agricultural District Fair in Progress.

Large Crowds Attend the Races--The Pavilion is Crowded with Beautiful Exhibits.

The fair this year exceeds all former years for quality and number of exhibits. Marks opera house is being used as a pavilion and is very prettily decorated with streamers of white and green and well lighted making a magnificent spectale at night. The stage is a bank of potted plants that partially hide the band stand.

On entering the exhibit of H. Marks & company attracts the eye. In the center of the hall is the exhibit of fancy needlework, laces and other art creations of the housewife's domain. The booth is built of light timbers cut in segments of a circle, the four corners being the smaller circles and the sides of much larger ones. The whole affair is given a delicate and pleasing effect by being covered with fish net.

The next large exhibit is the Ukiah Mercantile company's, and is a credit to the store. The Mathews drug company have a fine kodak exhibit on the left of the stage and some very creditable specimens of amateur photography is shown.

Colonel LaMotte has the fish hatchery represented on the stage and the exhibit is one of the drawing cards.

The Mendocino State hospital booth showing the work of the patients, is at the right of the entrance and fancy designs on needlework are in profusion.

The ladies of the Episcopal church have a refreshment booth that seems to be well patronized.

The walls of the stairway leading to the art exhibits are lined with the display of photographer Saunders, and the gallery is devoted to kindergarten work of Mrs. Thatcher's pupils.

The art gallery is also tastily decorated and the walls are hung with some fine paintings that are the work of local artists. The Ukiah high school has a very neat display of vases and medals won by scholars. The Indian basket and burnt work booths contain large collections and for oddity the oak ball exhibit cannot be beaten with Happy Hooligan and his brother Gus as natural as ever.

Countless other exhibits are worthy of mention, but as the names of the exhibitors are known only to the entry clerk, they will be attended to at another time.

The races commenced Tuesday afternoon and have been attended by large crowds. The track is in a better condition than ever and a large number of outside horses are here. The following summary of the events gives the races up to this morning.

DON'T LISTEN

To what people say when they would discourage your hope of exchanging womanly weakness and sickness for perfect health. Women who have been invalids for years, scarcely able to be up half the time, and the other half of their time spent in bed, have been made healthy, hearty women by the use of Doctor Pierce's Favorite Prescription. It cures the womanly diseases which undermine the strength. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"With pleasure I send a few lines to let you know that I feel much better than for eight years before taking your 'Favorite Prescription,'" writes Mrs. Pierce Geise, of 822 West Philadelphia Street, York, Penn'a. "Will recommend Dr. Pierce's medicine to every person who may inquire as to what it has done for me. I was troubled with female weakness and began to think I would never be well. If I had continued the treatment prescribed by my doctor I don't know what would have become of me. When your treatment was commenced my weight was 108 lbs.; at present it is 130. Have healthy color and my friends say I look well. My best thanks to you and my best wishes too, for what you have done for me."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

The Common Sense Medical Adviser, 1008 large pages in paper covers, is sent *free* on receipt of 21 one-cent stamps to pay expense of mailing *only*. Address Dr. R. V. Pierce, Buffalo, N. Y.

Brief Record of Interesting Local Occurrences

Incidents and Accidents Along the Boundary—Personal Mention and Social Occurrences Related by Correspondents.

WILLITS, October 8.—Luther Redemeyer was down from Cahto the early part of the week.

Colonel Abe Marks, the Ward McAllister of Ukiah, was in town Monday.

Mrs. Louis Felton, who has been quite ill for the past two weeks, is convalescent.

L. Billedeau, the popular stockraiser of Sherwood, visited this city Thursday last.

L. C. Holland, a wellknown farmer of Sherwood valley, was down on a business visit Thursday last.

John H. Travis of Trinity and Mrs. A. Fish of Covelo, were married in this city October 1st by Judge Kenworthy.

Dr. Chalfant and wife left for San Francisco yesterday. Mrs. Chalfant will visit relatives in Kansas City before returning to Willits.

J. E. Weller, a capitalist of Fort Bragg, passed through town Monday enroute to San Francisco. He was accompanied by Miss L. Weller.

M. Reil, formerly of this city, has brought suit against his wife, Adele for divorce. Reil alleges cruelty and says that there is community property worth $12,500.

Twenty hundredths of an inch of rain fell Monday afternoon last. It was the first storm of the season, and while later than usual was a very desirable precipitation.

A fire occurred in this city Thursday evening last, which resulted in the entire destruction of a house that had been previously occupird by George Adcock. The building which was totally consumed was located on East Humboldt street and was owned by W. H. Drenkel. The origin of the fire is unknown, but as the building was unoccupied it is supposed to have been incendiary. The loss sustained by Mr. Adcock is estimated by himself to have been about $500. Mr. Drenkel's loss is placed at about $1400 of which amount the insurance covered $630. The local fire company responded to the alarm but the length of the hose was insufficient to save the property.

James Nolan, an occasional employe of the Overland stage company attempted to commit suicide at Laytonville Friday last. It is said that he had been drinking heavily and became despondent. He gashed his throat from ear to ear and the knife narrowly escaped penetrating the carotid artery. His condition was discovered by friends and medical assistance was quickly summoned. His brother, John Nolan of Caspar, came over from the coast and took the injured man below. Jim Nolan was well thought of by every one who knew him and his many friends hope that he will soon recover.

Treasurer J. N. Rea, than whom there is no more competent or able able an official in the county, was in town the latter part of the week. The consensus of opinion seems to be that he will be returned by a largely increased majority. Mrs. Rea accompanied her husband. They speat a week visiting friends in Round valley

Miss Susie Harris, the Republican nominee for superintendent of schools, was in town Monday. She is making a splendid canvass.

Judge Mannon was in town Sunday. The judge has established a reputation as jurist second to none in the state, and is regarded by every lawyer in California as one of the most able men on the bench.

Additional Locals.

Don't fail to hear Congressman Coombs tomorrow night.

The hotels have been crowded during the week as a result of the fair.

The annual dance of the 45th Agricultural district will be given tonight at Smith's opera house.

B. N. Springer, the Republican nominee for county surveyor, was in town Wednesday visiting the voters.

Mrs. R. H. Rawles of Boonville accompanied her husband, who is here in attendance on the board of supervisors, this week.

Mr. and Mrs. Fred Sholl of Willits are visiting in this city. Mrs. Sholl is reported convalescing after a severe spell of illness.

The Great Eastern Bargain house will be closed Saturday, October 11, on account of holiday. Open Monday morning at 7:30.

Rev. J. E. Moore, presiding elder, will preach at the M. E. Church South on Sunday next October 12th. All are cordially invited.

Assemblyman Hanen and J. C. Halliday were in town Thursday on their election tour. They left for Potter valley where Mr. Hanen addressed the voters on the issues of the day. He will speak in this city at a later date.

From all over the country come the most encouraging reports of the candidacy of Mr. Hanen for the assembly. The people realize that he was a most useful and efficient member of the last legislature, that he was unremitting in his care for the interests of his county, and will see to it that he succeeds himself in that important office.

J. C. Halliday, it appears from expressions we have collected from various parts of the county, will succeed Mr. Dillingham as tax collector. It is said that on the lower coast the vote will be almost unanimous for him. When a candidate receives his largest vote in the places where he is best known, it ordinarily means a sure election when the entire vote of the county is counted.

Accidently Shot.

Last Sunday afternoon Will Shores, a resident of Willits, while quail hunting in Little Lake valley accidentally shot himself. Mr. Shores was driving along the road on the east side of the valley and had his shot gun in the cart beside him. The gun slipped through the bottom of the cart and the hammers caught. The jolting mashed the firing pin against the cap and exploded the weapon. The charge struck Mr. Shores in the side of the neck and tore the flesh away making an ugly wound but did not open any of the large arteries. The injured man was brought down Monday and taken to the local hospital for treatment.

WHAT DO THE CHILDREN DRINK?

Don't give them tea or coffee. Have you tried the new food drink called GRAIN O? It is delicious and nourishing and takes the place of coffee. The more Grain-O you give the children the more health you distribute through their systems. Grain-O is made of pure grains, and when properly prepared tastes like the choice grades of coffee but costs about one fourth as much. All grocers sell it. 15 cents and 25 cents.
